Newark Neighbours Moving in the Spring!!

Niagara-on-the-Lake's Only Food Bank and Thrift Store has secured a new location

Niagara-on-the-Lake, ON, January 6, 2023

Newark Neighbours, our local food bank and thrift store, has been proudly and successfully serving Niagara-on-the-Lake residents for over fifty years.

As many are aware, Newark Neighbours has far outgrown its current space. The Board and volunteers are very pleased to announce that we have secured a new space for our services and operations at 1534 Niagara Stone Road, Virgil (the old Lincoln Interiors store). Our Thrift Store and Food Bank will remain in full operation at our current location on 310 John Street East (on Riverbend Inn property) until our re-location; we will continue to gratefully accept all donations at our current location until our re-location.

Planning is currently underway for design and construction of our new space to meet the needs for both segments of our operations. Interior renovations will occur in the next few months with the goal of moving from our current location on John Street East to our new location on Niagara Stone Road in the spring / early summer 2023.

We are excited about the possibilities that this new and improved location and space will provide for our thrift store customers and our food bank clients. We are confident that our customers and clients will greatly appreciate our new and improved facilities and surroundings.

The Newark Neighbours Board and volunteers thank the staff and management of Riverbend Inn for being gracious and supportive neighbours for the last 30 years. We will miss our current home and are confident that our new location will continue to serve our community for many years to come.
